Fox Valley PC Association		Total DOQs	
Total Program Offerings Listed		647	
PROGRAM NAME	LOCATION	CATEGORY (Read .DOC file within folder)	Version
7-Zip	2011 DOQ-1	Utility - Archive compression; Originally Offered with the 2007 DOQ-1	
Advanced System Care	2011 DOQ-1	Advanced SystemCare Free (formerly Advanced WindowsCare Personal) has a one-click approach to help protect, repair, clean, and optimize your PC; Updated since last offered with 2010 DOQ-1	3.7.30
Ashampoo Burning Studio 2010 Trial	2011 DOQ-1	Program similar to Nero Burning ROM, Trial ware	9.2.4.0
Auslogics Duplicate File Finder	2011 DOQ-1	Auslogics Duplicate File Finder is a basic program that allows users to find and delete duplicate files taking up valuable space on their hard drives. This is a helpful utility for users who find themselves with limited disk space and can't figure out why.	2.0.6.55
DesktopOK	2011 DOQ-1	This program lets you save and restore icon layouts. Set your icons the way you like them, save the layout, then just restore it later when the need arises.	2.16
Fast Dupliacte File Finder	2011 DOQ-1	Fast Duplicate File Finder doesn't merely compare file names or file sizes; it does a file comparison at the binary level. This is particularly important when looking for music, video, and other media files, because you may have files with two different names, which are otherwise identical. It's got plenty of nice-to-have features, such as determining whether to delete duplicates or move them to the Recycle Bin or a custom folder; the ability to preview files before deleting them; and support for removable media such as USB drives.	2.0.0.1
FileZilla 3.3.5.1	2011 DOQ-1	FTP client for file transfer; Last offered 2010 DOQ-2; very handy if you need to move files to-from a web site.	3.3.5.1
Google Earth 6	2011 DOQ-1	Awesome program lets you zero in to almost anywhere on our planet. This is the latest verion. (Last offering of Google Earth was the 2008 DOQ-3.)	6
Gridy	2011 DOQ-1	Gridy gives your program icons and other windows links on your desktop marching orders and makes them line up on an invisible desktop grid.	0.44
LIBOX	2011 DOQ-1	LIBOX is a photo/audio/video organizer and player multi-device sharing app, as well as part social app. Some bugs show up in the beta version.	1.4.0.8
Malwarebytes Anti-Malware 1.50.1	2011 DOQ-1	Malwarebytes Anti-Malware is a surprisingly effective freeware antimalware tool. Latest version. (Last offering with 2010 DOQ-2.)	1.50.1
Mapyx Quo	2011 DOQ-1	Mapyx Quo is an intuitive, easy to learn and, surprisingly simple-to-use digital mapping program which enables you to connect your GPS to your PC and manage all your waypoints, routes and tracks.	2.1.7
nLite	2011 DOQ-1	nLite is a tool for pre-installation Windows XP configuration and component removal at your choice. Optional bootable image ready for burning on media or testing in virtual machines.	
Page Plus Starter Edition	2011 DOQ-1	PagePlus Starter Edition is an amazing tool for designing fantastic print documents. This version is 100% free . It identifies which are the "free" elements vs paid for ones in the purchase version. This is enough to work on basic DTP tasks.	
PDF - 5 Great MS Web Services You Probably Do Not Use	2011 DOQ-1	Look over this article and see what new things MS has come up with! (Office 2007-2010 users may have seen these during set up...)	
PDF - 7 Tips and Tricks for Windows 7	2011 DOQ-1	7 Tips and tricks for Windows 7	
PDF- PC World Superguide Smartphone Sampler	2011 DOQ-1	PDF Overview of Smartphones, although this is part of a larger book (\$\$), this is free.	
Privacy Kit Free	2011 DOQ-1	Privacy Kit includes: Privacy Cleaner, File Shredder, File Encryption. I did not install this, so I am not sure if it will ask you to purchase/trialware.	
Skype 5.1	2011 DOQ-1	This is the latest version. There is a subscription with this version that allows for up to 10 people to video conference! The free version of course allows for two people to have a face to face with other Skype members.	
SugarSync Free	2011 DOQ-1	Sync up files and folders between 2 PCs. Up to 2 GB for free.	1.9.9.387
Undelete Plus	2011 DOQ-1	Previously offered in the 2008 DOQ-2 . Latest version	3.0.2.209
VSO-Inspector	2011 DOQ-1	VSO-Inspector is a free add-on to report various information about your hardware configuration. Also you can scan a burnt media for read errors and be confident about the readability of your fresh backup.	2.1.0.6

PROGRAM NAME	LOCATION	CATEGORY (Read .DOC file within folder)	Version
WebMatrix - DL Link from MS	2011 DOQ-1	A Free program from Microsoft with links to "free" Web Editors. Helpful to get you started with web page creation. This is a download link.	
WinXDVD Ripper	2011 DOQ-1	A DVD Ripper that I obtained via a special "free" offering. Noit sure it will load after the expiration date, butr I downloaded it anyway.	
WinXVideo Converter	2011 DOQ-1	A Video Converter that I obtained via a special "free" offering. Noit sure it will load after the expiration date, butr I downloaded it anyway.	
Xirrus WiFi Inspector	2011 DOQ-1	Xirrus Wi-Fi Inspector finds nearby Wi-Fi networks, gives an extraordinary amount of information about each, manages your Wi-Fi connections, and monitors and reports on network speed and performance.	1.2.0
Xirrus WiFi Monitor	2011 DOQ-1	Xirrus Wi-Fi Monitor shows your signal strength, the SSID of the network to which you're connected, your current IP address, and shows you visually, in radar monitor-style fashion, the network to which you're connected and any other nearby networks.	1.1
