

THE FOX TALE

VOLUME ONE

MAY, 1985

The FOX VALLEY PCjr ASSOCIATION is officially launched and starting to roll. Four general meetings were held, officers elected, and executive meeting was held and finally the "NEWSLETTER" is taking shape. Hopefully, the newsletter will keep you informed of all the good things happening in the Association to help members benefit from their systems.

THE NEXT MEETING OF THE ASSOCIATION WILL BE
ON JUNE 1, 1985 AT THE FOX VALLEY SEARS
BUSINESS SYSTEMS CENTER AT 9:00 AM. BE THERE.

A> First, let me introduce myself: I am Gene Moretti. I "volunteered" (with wife's help) to author the Association newsletter until the next crew change. (The old saying, "If you don't attend, you will volunteer" is true.) I am looking forward to meeting and talking to every one of you and to a pleasant, rewarding experience.

A> Next, let me introduce our newly-elected officers:

PRESIDENT	HERB QUANDT	312/892-0849
VICE PRESIDENT	JERRY GYNAC	312/739-0862
SECRETARY	RITA MORETTI	815/741-9588
TREASURER	ROB ANDEL	815/436-3030
LIBRARIAN	BRUCE REINHOLD	312/792-2437
PROGRAM CHMN.	ADELAIDE ZIMMERMAN	312/231-1936
NEWSLETTER EDITOR	GENE MORETTI	815/741-9588

All of the above are available to help you if they can.

A> Now for a plea: On the last page of this letter is a convenient application form to announce your intent to climb aboard the FOX VALLEY PCjr ASSOCIATION. As soon as possible, complete, clip (my printer doesn't perf) and mail the form and your check (\$15 per CPU, cheap) to our treasurer. We need the money to get going.

A> As for the newsletter format, there are several ideas for a name and what to include. I welcome suggestions -- give me a call. The letter will be light in tone, but all in all, we will aim to inform, not entertain.

A> The ice is now broken; on May 15 the first executive meeting was held and many good ideas were expressed. Projects will develop, maybe slowly at first, but by Summer's end and into Fall, the Association should be on a good roll. Questionnaires will be

sent to paid members to survey needs and wants, etc. There may be a reasonably-priced, quality floppy diskette supply made available. Just some loose irons in the fire.

A> Another plea: This one to modem owners -- let's talk it up on various Bulletin Boards. The Association needs all the exposure it can get. A good place to advertise free is on Boards - Get on line and connect the FOX VALLEY PCjr ASSOCIATION to all the Boards we can find.

A> That's all for Volume One. If you're not registered, don't forget to send in your form and check today. See you at the meeting, don't forget: June 1 at 9:00 AM at Fox Valley Sears Business Systems Center, 4022 Fox Valley Center Drive, Aurora, Illinois.
